### To complete your Steps to Enrollment:

1. You will need your immunization records to complete this step. Use our worksheets ([Required Immunization Records and Tuberculosis \(TB\) Screening Questionnaire](#)) to prepare (or have your doctor's office fill it out).
2. Log in to the [SHS Gateway](#) (UCSB Net ID & password required)
3. Select the Forms menu in the left column.
4. Select Complete Required Immunization Records & Tuberculosis (TB) Screening Questionnaire.
5. Once you submit your records **you cannot resubmit them.**

For a tutorial on how to upload your immunization records, click [here](#).

Starting Fall 2016, all incoming students are required to receive the vaccinations and tuberculosis screening noted in the [Immunization Requirements](#). We strongly urge you to have your immunizations up-to-date before you arrive at UCSB.

For optimal medical care, [email](#) your immunization records or fax them to (805) 893-2758. You may also upload documents when you complete the "Required Immunization Records" as part of your Steps to Enrollment.

You will *not* receive a confirmation but the immunization documents will be incorporated into your permanent electronic medical record.

On your correspondence, please include your:

- full name
- date of birth
- perm number

For questions or problems you may encounter in completing the University Immunization Requirements, please email [shsentranceimmunizations@sa.ucsb.edu](mailto:shsentranceimmunizations@sa.ucsb.edu)

**IF YOU DO NOT COMPLETE THIS REQUIREMENT, A BLOCK MAY BE PLACED ON YOUR REGISTRATION FOR FALL QUARTER.**
