Use DocFind to locate Aetna participating physicians and other network providers.

The Gaucho Health Insurance (GHI) Plan utilizes Aetna’s Open Choice PPO Network.

Go to Aetnastudenthealth.com & select "UC Santa Barbara" from the drop-down.

Select the "Find a doctor, hospital or pharmacy" link.

Select the "Go to DocFind" link.

Login/register for your Aetna Secure Member Site (recommended) or continue as a guest.

Select the appropriate network, for UCSB the network is "Open Choice PPO" under Student Health Medical Plans in California.

You can then type in a specific provider name, specialty, procedure or select one of the categories below the search box.
