

How to make an appointment:

1. Online through our [Gateway Portal](#):
 - a) Once you login with your UCSBNetID & password you will click on the tab on the left that says “Appointments”.
 - b) Then click on “Schedule an appointment”.
 - c) Select the type of appointment you want and press continue.
 - d) Please fill out the remainder of the form (instruction can't be given from this point on since questions vary depending on which type of appointment is being requested).

Walk-in care is available for an acute illness or injury.
