## Delta Dental PPO<sup>SM</sup>

### Save with PPO

Visit a dentist in the PPO network to maximize your savings.<sup>1</sup> These dentists have agreed to reduced fees, and you won't get charged more than your expected share of the bill.<sup>2</sup> Find a PPO dentist at [deltadentalins.com/ucsb](http://deltadentalins.com/ucsb).

### Set up an online account

Get information about your plan anytime, anywhere by signing up for an Online Services account at [deltadentalins.com/ucsb](http://deltadentalins.com/ucsb). This free service, available once your coverage kicks in, lets you check benefits and eligibility information, find a network dentist and more.

Register with your student ID number (including all alphanumeric characters) or your medical ID number (beginning with the number "8" and no letters).

### Print an ID card at home

You don't need a Delta Dental ID card when you visit the dentist. Just provide your name, birth date and student ID or medical number. Prefer to take a paper or electronic ID card with you? Simply sign in to Online Services, where you can view or print your card with the click of a button.

### Visit the dentist

Once you've found a dentist in the PPO network, call to make an appointment. The dentist directory at [deltadentalins.com/ucship](http://deltadentalins.com/ucship) includes phone numbers and addresses.

### Get a cost estimate

Budget for dental expenses with the Cost Estimator. Go to [deltadentalins.com/ucsb](http://deltadentalins.com/ucsb), log in to Online Services and click on **Cost Explorer** by your name. You'll get a cost estimate personalized to your benefits, including maximums and deductibles, and you can compare the cost of the same procedure at different dentists.

## Save with a PPO dentist

<sup>1</sup> You can still visit any licensed dentist, but your out-of-pocket costs may be higher if you choose a non-PPO dentist. Network dentists are paid contracted fees.

<sup>2</sup> You are responsible for any applicable deductibles, coinsurance, amounts over plan maximums and charges for non-covered services.
