

**UCSB Student Insurance Plan (UC SHIP)
2018-19 Waiver Terms & Conditions**

*By submitting a waiver or having a waiver pre-approved you confirm that your medical plans meets the **UC SHIP Waiver Criteria** and agree to the following waiver Terms & Conditions for the 2018-2019 Academic Year.*

INSURANCE REQUIREMENT

The University of California, Santa Barbara, as directed by the UC Regents, requires all students to have adequate health insurance. All registered students are automatically enrolled in the University-sponsored Student Health Insurance Plan (UC SHIP) unless they choose to submit a waiver of enrollment and demonstrate that they have health insurance that meets the University's minimum criteria for health care coverage.

What is the UCSB Student Health Insurance Plan (UC SHIP)?

UC SHIP is an affordable health insurance plan tailored to the health care needs of UCSB students. It features year-round, world-wide coverage. UC SHIP provides optimal coverage for services in the Santa Barbara community, and peace of mind for both parents and students.

Are you considering waiving UC SHIP?

Students (and parents) should ask: "Am I sufficiently covered to ensure that my career at UCSB will be successful?" Please consider the following:

- Many insurance plans will only cover urgent care or emergency room services outside of the plan's network. Some insurance plans require that you visit their own network providers to receive care such as minor illnesses, lab tests, X-rays, or care by specialists, and in some cases such networks may not be available within a reachable distance from UC Santa Barbara where you will be spending most of your time while attending school.
- Many students enroll in UC SHIP to supplement their existing coverage.

Before you begin the waiver process, please note the following:

You have read this statement and acknowledge your responsibility to confirm that your medical insurance plan covers services rendered by medical providers, including emergency services, in the area local to your home campus (within 30 miles is recommended) while you are a UCSB student. You further acknowledge that lack of local network providers available under your health plan could result in a delay in receiving necessary medical or mental health care and/or may result in costly medical bills.
