

PURPLE - NOT CLEARED TO BE ON SITE

	Isolation	Quarantine	Lab Test Overdue	Survey Overdue	Badge Turned Off
Badge Sample					
Details	<p>The individual is in a status of Isolation (typically due to indicating on their daily screening that they have one or more COVID-19 symptoms, or due to a positive COVID-19 test).</p> <p><i>NOTE: If they have not yet completed their Isolation survey for the day, the badge will also display the "Survey is Overdue" warning.</i></p> <p><i>NOTE: Mask information is not displayed on Isolation or Quarantine surveys, since individuals should not be around others (especially in indoor settings).</i></p>	<p>The individual is in a status of Quarantine (typically due to being unvaccinated, and being exposed to someone who has a confirmed case of COVID-19).</p> <p><i>NOTE: If they have not yet completed their Quarantine survey for the day, the badge will also display the "Survey is Overdue" warning.</i></p> <p><i>NOTE: Mask information is not displayed on Isolation or Quarantine surveys, since individuals should not be around others (especially in indoor settings).</i></p>	<p>The individual has a weekly COVID-19 testing requirement, and has not been tested in the last week (technically, in the previous 9 days).</p> <p><i>NOTE: If they have not yet completed their Screening survey for the day, the badge will also display the "Survey is Overdue" warning.</i></p>	<p>The individual has not completed their daily survey.</p>	<p>The individual's Screening Badge is turned off in the Student Health Patient Portal.</p> <p><i>NOTE: Mask information is not displayed on badges that are turned off, since individuals should not be accessing campus resources with their badge off, and have to have their badge turned on in order to comply with the survey and testing requirements (if applicable).</i></p>
Remediation	<p>They must complete their Isolation period, or be manually removed by the COVID Response Team prior to the end of Isolation, before they can obtain a cleared badge.</p>	<p>They must complete their Quarantine, or be removed by the COVID Response Team prior to the end of their Quarantine period, before they can obtain a cleared badge.</p>	<p>Going and getting a COVID-19 test at one of the UC Santa Barbara facilities will satisfy the requirement immediately upon accessioning of the test.</p>	<p>Complete the daily screening that has been issued to them. If none has been issued, they can click the "Complete Survey" link from the home screen of the Student Health Patient Portal.</p>	<p>They will need to contact someone on the COVID Response Team to turn their badge on.</p> <p><i>Note: Once we turn badges on for everyone, there should be very few people that are in this situation.</i></p>

GREEN - CLEARED TO BE ON SITE

	Completed Testing and Survey Without Vaccination or Exemption/Deferral Compliance	Completed Testing and Survey Without Vaccination or Exemption/Deferral Compliance	Fully Vaccinated and Completed Screening Survey
Badge Sample	 <p>The badge is green with white text. At the top, it says 'UCSB COVID-19 Clearance Status' and 'Cleared to be On-Site'. Below that is the date and time '8/13/2021 4:16 PM'. In the center is a white silhouette of a person with the text 'Test Student', 'Jan 24', and '#COVSTU17'. At the bottom is a QR code, the text 'Next Survey Due: 8/14/2021 12:00 PM', and 'Mask REQUIRED Indoors'.</p>	 <p>The badge is green with white text. Details	<p>NOTE: This will likely be moving to another color status at some point (perhaps Yellow) in the future, after the vaccination enforcement kicks in, since folks in this case are not compliant, because they do not have an exemption/deferral, and are not fully vaccinated. This is most likely going to be individuals who are going through the disciplinary process and are allowed to come to campus as that process plays out.</p> <p>This includes individuals who:</p> <ul style="list-style-type: none"> Do not have a full vaccination status, and also have no exemption or deferral, but have completed daily screening and weekly testing requirements. 	<p>This badge is cleared for access to campus. It is the result of having an approved exemption or deferral, completing their weekly testing requirement, and completing their daily screening survey.</p>	<p>This badge is cleared for access to campus. It is the result of having become fully immunized for COVID-19, and completing their daily screening survey.</p>

FREQUENTLY ASKED QUESTIONS

1) I've completed my survey and obtained my weekly lab test – why is my badge yellow?

- a. If your badge is yellow, that means that you have satisfied the daily screening and weekly testing requirement, but have not yet uploaded your vaccination information, or have not yet submitted your exemption or deferral request.
 - i. Note: Exemption and Deferral requests can take up to 24 hours to process, so if you have just submitted your exemption or deferral request, please wait a day and check back.

2) Why am I not cleared to be on-site?

- a. There are several reasons that your badge may indicate you are not cleared to be on-site, including:
 - i. You are currently in Isolation (due to COVID-19 symptoms or a positive COVID-19 test)
 - ii. You are currently in Quarantine (due to a known exposure to COVID-19)
 - iii. Your badge is turned off
 - iv. You have a weekly testing requirement, and have not obtained a test in the last 7 days
 - v. You have not yet completed your daily symptom screening survey today
- b. In the case of the lab test or screening survey overdue, you can obtain a Cleared to Be On Site badge by being tested and/or completing your daily screening survey for the day.
- c. To see the reason that you are not cleared to be on-site, look at the text immediately below the QR code on the badge, which will show the reason, e.g

3) I'm fully vaccinated – why am I still showing as overdue for a lab test?

- a. First, make sure that you have uploaded your vaccination information into the [SHS Patient Portal](#) (see: [Uploading Your Vaccine Information](#) for steps on how to do this).

4) Why does my badge say that masks are required indoors?

- a. In response to the Delta variant, the Chancellor announced on August 3, 2021 that, effective immediately, UC Santa Barbara is now requiring all faculty, staff, students, and visitors to wear masks in shared indoor spaces. While this could change in the future based on vaccination status, the badges indicate that masks are required indoors as a reminder that everyone is mandated to wear a mask in shared indoor spaces while on-site at UC Santa Barbara.

5) I made a mistake and received an incorrect clearance badge. How can I change that?

- a. Send an email to ucsb-covid19@ucsb.edu and the program can be reset to allow you to complete the survey again. This may take up to 2 hours to accomplish.
