

Qualifying Life Events

A **Qualifying Life Event (QLE)** is a significant life change that allows you to enroll in or update your health insurance coverage.

Key Life Events include:

- Turning 26 and losing coverage under a parent's plan
- Losing other health coverage
- Getting married or divorced*
- Having or adopting a child*
- Moving to the United States

Important deadline: Most qualifying life events must be submitted within **30 days** of the event. Review your school's policy for specific requirements.

What You'll Need Before You Start

Before beginning your enrollment, have documentation available to support your Qualifying Life Event.

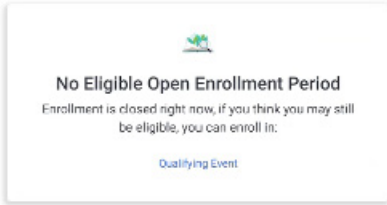

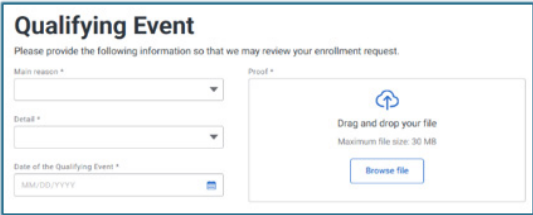

Examples include:

- Proof of lost coverage (Certificate of Coverage)
- Marriage certificate
- Birth or adoption certificate
- Other official documentation related to your QLE

Having these documents ready will help avoid processing delays.

***Note:** Eligible dependents may be enrolled if allowed under your plan. Refer to your plan brochure or policy for details.

1 Go to students.care26.com/login and sign in with your username and password. If you do not yet have an account, select Register to create one.	2 When enrollment is closed, select the Qualifying Event link from the dashboard menu. 	Review the information on the screen, then select Start Qualifying Event at the bottom of the page.
Complete all required questions and upload documentation supporting your Qualifying Life Event. 	Select a plan and indicate who should be covered, including any eligible dependents. Note: A separate transaction is required for each product being offered (e.g., dental, vision). Enrolling dependents: - Enter the dependent's demographics and click Next. - The Dependent Attestation window will display. Review information and click Confirm and Save. After reviewing your selections, select Submit Request to complete your enrollment.	A follow-up email will be sent with instructions on how to submit your payment information to complete the process. Please click the Take Me There link to proceed. 

What Happens Next?

After submitting your Qualifying Life Event request:

- You will see an on screen confirmation
- You will receive an email confirming receipt of your request

If your request is approved:

- You will receive an email with a link to submit a payment.
- Your enrollment will be sent to the insurance carrier in the next enrollment file.
